"Dr. Lani and staff at Statistics Solutions supported my statistical efforts for my dissertation. From assisting me with the data analysis plan through presentation of the findings, this group does exactly what they say they will do. Timelines and deliverables are exact. And support was given till my final oral defense was achieved. For students struggling with Chapters 3 and 4, Statistics Solutions will guide you on the scholarly path that is needed for approval. I highly recommend."

**-Carrie Taylor, MHS, Ph.D, Walden University**
